BATHALON TAKES COMMAND OF USARIEM

On a sunny New England summer morning, Col. Gaston Bathalon accepted the guidon from the Commanding General of the U.S. Army Medical Research and Material Command (USAMRMC), Maj. Gen. James Gilman to take over as the 18th commander of the U.S. Army Research Institute of Environmental Medicine (USARIEM).

NATICK LABS SOLDIER REFLECTS AFTER FIRE

Chief Warrant Officer Michael Doe only had time to enjoy one bite of his celebratory lunch Tuesday before learning that his house at Natick Soldier Systems Center was on fire.

AKO SECURITY CHANGES BLOCK ACCESS FOR SOME; USERS URGED TO TAKE ACTION

A recent series of behind-the-scenes security changes at Army Knowledge Online has caused some users to no longer be able to access the web-based portal.

While the AKO team is working diligently to identify the issues and provide suggested ways to overcome them, users who are having access issues are advised to read the information below and take action as necessary.
