### STRENGTHENING SCIENCE & TECHNOLOGY TIES

Cooperation between government, private industry and academia to benefit the war fighter took center stage May 29 at the ninth meeting of the Natick Soldier Systems Center Science and Technology Board.

### NATICK BECOMING MORE GREEN

This close to Boston, green is a popular color -- especially with the Celtics making an unexpectedly strong run in the NBA playoffs. When people talk "green" at the Natick Soldier Systems Center these days, however, they could just as easily be discussing the environment as basketball.

### COMBAT FEEDING SUPPORTS SEA-AIR-SPACE

The Natick Soldier Research, Development and Engineering Center Department of Defense Combat Feeding Directorate supported the Sea-Air-Space exhibit at the Gaylord Convention Center in National Harbor, Md.

### 'THE SAFETY DOCTOR' WILL SEE YOU NOW

Do you get the nagging feeling that you might be flirting with an accident? Well, it could be time to see "The Safety Doctor" for a checkup. That's just what the NSSC workforce did June 1, Summer Safety Day.

### NATICK SOLDIERS RUN IN 'FREEDOM TRAIL' EVENT

A dozen Soldiers from the Natick Soldier Systems Center took part in the "Freedom Trail" event May 5 at the Longfellow Sports Club in Natick. The event, which raised \$700 for the Wounded Warrior Project, covered approximately 1.5 miles.
