Defender 6 Sends

The Installation Management Community is committed to leveraging the power of technology to expand our communication capabilities and enhance our ability to serve and support Soldiers, Civilians, and Families. In today's world, IT is at the core of all we do at work, at home, and at play. Smaller, more powerful, and less expensive IT products hit the market every day. Becoming savvy with state-of-the-art technology helps us work smarter, learn more efficiently, and play harder.
