APPS PROGRAM HELPS PROTECT HOMELAND DEFENDERS

When you read the mission statement of the Natick Soldier Systems Center (NSSC), the workers at NSSC "conduct research, development, acquisition and sustainment to maximize combat effectiveness and survivability of freedom's defenders."

NATICK SOLDIER TAKES OATH OF ALLEGIANCE

PV2 Oshane Ebanks of the Natick Soldier Systems Center (NSSC) did something last week that most of us take for granted - he became a citizen of the United States. For many of us, citizenship is a right given at birth, but for Ebanks, who immigrated from St. Elizabeth, Jamaica in 1996, it was something that was hard fought and earned.

NATICK LABS SOLDIER THANKFUL FOR HELP

Michael Doe, the soldier whose family was displaced by a fire at his Natick Labs home, thanked many people for the help they provided during and after the blaze, but he had a special heartfelt thanks for the firefighter who saved the two family dogs.

LETTER OF THANKS

On June 21, a fire destroyed the home of the Kinsman family in Framingham. Karen Kinsman, who works at the Garrison Department of Public Works has sent a letter of thanks.

DEFENDER 6 SENDS

Our Soldiers have been steadfast in their service to the nation during the past nine years of conflict. Their Families have been just as constant in their own dedicated service, providing the strength and support that enables Soldiers to do their jobs.
