NO WASTE OF A SUMMER AT NATICK

No one wants to waste a summer, particularly U.S. Military Academy cadets, who know all about making the most of their time. Ironically, a pair of West Pointers recently came to the Natick Soldier Research, Development and Engineering Center to take part in a project that will study how to turn waste into energy on base camps.

NU YOUNG SCHOLARS VISIT NSRDEC

Visitors to the Natick Soldier Research, Development and Engineering Center July 26 on its first "Science for the Soldier Day" included North-eastern University's Young Scholars.
