Advance Planning Brief to Industry

11 May 2011

Lieutenant Colonel Michael Sloane
Product Manager
Soldier Clothing and Individual Equipment

Agenda

- Mission
- Rapidly Changing Global Operating Environment
- Challenges to Industry
- Capabilities: Today and Over the Horizon
- Accomplishments

PM-Soldier Clothing and Individual Equipment

Mission

Develop and provide superior and sustainable integrated clothing and equipment in a rapidly changing global environment for the Army's most important combat system... the Soldier!

Rapidly Changing Global Operating Environment

Urban fighting

Statesman

Blending

Urban fighting

Complex environments mandate superior, high-quality, clothing & equipment

Rapidly Changing Global Operating Environment

Mounted fighting

Mountains-warm

Mountains-cold

Complex environments mandate superior, high-quality, clothing & equipment

Challenges to Industry

- **Identify Problems/Issues Early - Solve Together!**
- **Optimized Supply Chains = Enhanced Productivity**
- **Increased Durability = Lower Life Cycle Costs**
- **Improve Quality Assurance Through Systematic and Continuous Process Improvements**
- **Continue to Seek Joint Service Solutions.....*Congress* is encouraging**
- **Berry Compliance Throughout the Entire Supply Chain: Remain Vigilant**
- **Bring it back to the United States w/healthy competition**
- **Continue to provide the best products for the Best Soldiers!**

Capabilities Today and Over the Horizon

Over the Horizon (Future Capabilities):

- Modular Boot System
- Improved Army Combat Shirt
- Navigation Aid
- Multi-Purpose Personal Hydration System
- Standardized Glove Sizing
- More Durable Fabrics
- Army Service Uniform in MCSS
- Integrated Body Armor Hydration System
- Advanced Ram Air Parachute System
- Advanced Emergency Bailout Parachute
- Individual Water Treatment Device
- FR ACU Trouser PIP (Army Combat Pants)
- ARAPS DV Testing
- Global Camouflage
- Maternity ASU and ACU
- Thermal Responsive Fiber
- Desalination for IWTD
- Cold Weather Canteen
- Fire Resistant in Outer Layer Cold Weather Gear for Core Soldier
- Light Weight Optional Shirt
- FR Fuel Handler's Coverall
- Women's ACU
- Medium Ruck
- OEF Camouflage
- OEF Camo in Sustainment

Today (Current Capabilities):

- FY10-11 RFI List includes: TAP, MOLLE, GHILLIE, 2d Pair of Combat Gloves ✓
- Wash Cloth ✓
- Permethrin Treatment ✓
- Mountain Combat Boot ✓
- Duffle Bag Improvement Decision ✓
- Army Service Uniform in Clothing Bag ✓
- Chem/Bio ✓
- MOLLE ✓
- FR ACUs ✓
- GEN III ECWCS ✓
- Women's ACU User Evaluation ✓
- Army Combat Shirt ✓
- FR Army Combat Uniform ✓
- FREE ✓

Accomplishments

- OCP = All Products
- Medium Rucksack
- Air Force/Army (Joint) Efforts (OCP)
- Permethrin Treatment
- Army Service Uniform White Shirt
- Parachutist Oxygen Mask Improvements
- Army Combat Glove
- Tactical Assault Panel (TAP) in UCP
- Fire Resistant Environmental Ensemble
- Duffel Bag
- No Berry violations/No protests

U.S. Industry: Thank You!

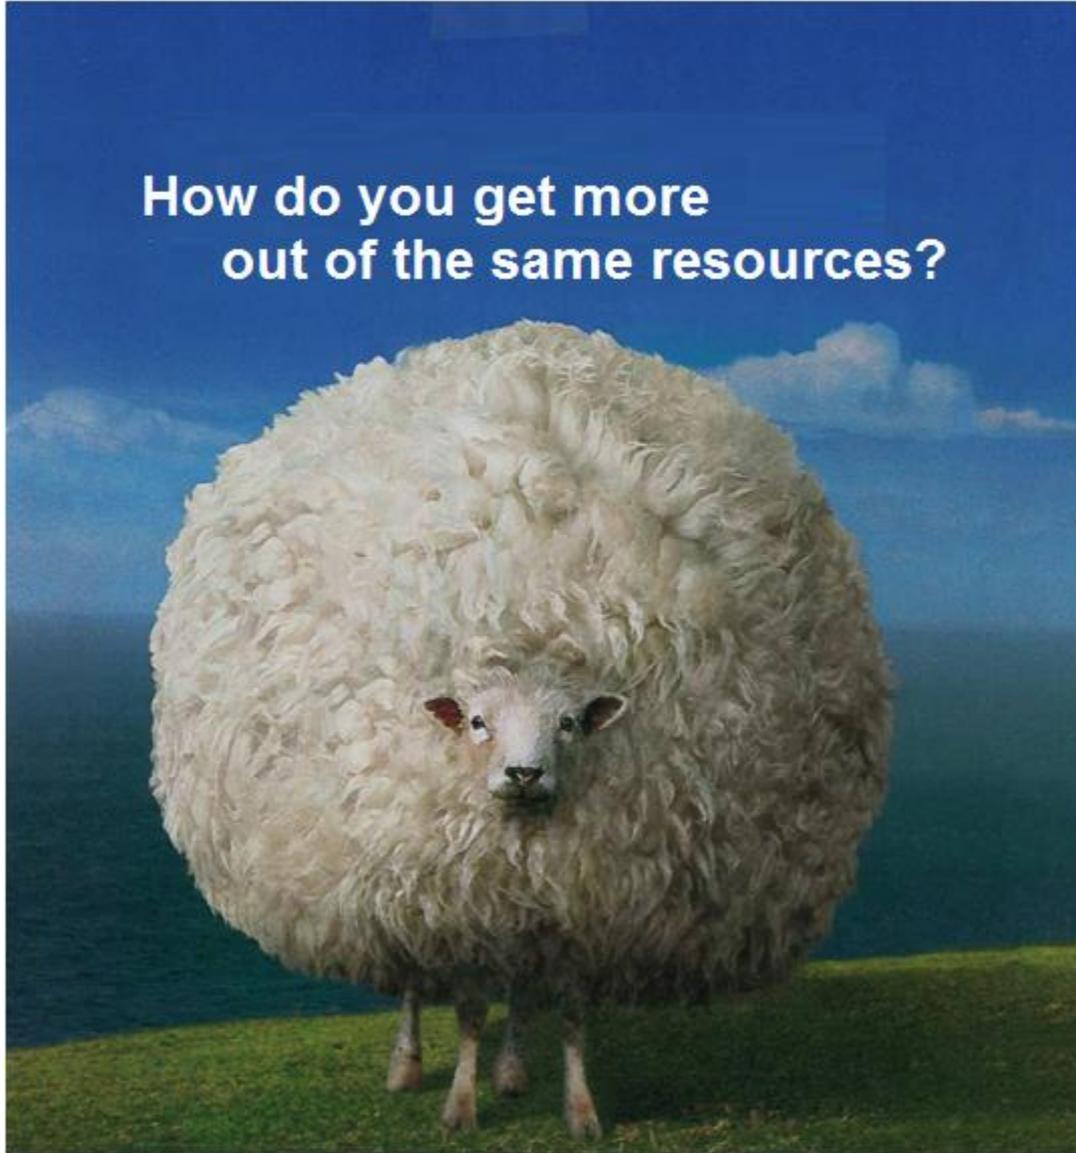

Backup

Optimize Supply Chains

How do you get more
out of the same resources?
